PLAN HIGHLIGHTS / SCHEDULE OF BENEFITS

Your Long Term Care (LTC) insurance plan is listed below.

Newly Hired Employees: Will be eligible for benefits on a Guarantee issue basis during the first annual enrollment following your date of hire from November 1st through December 31st. If you do not enroll during the first annual enrollment, you will be required to fill out a medical questionnaire.

All Active Employees & Newly Hired Employees: who enroll after the Guarantee Issue enrollment period or choose benefits over the Guarantee Issue limits will be required to fill out a medical questionnaire.

Medical Underwriting Effective Date: The effective date for those applicants passing medical underwriting between the 1st and 15th of the month is the first of the month following their date of approval. For those approved between the 16th and the end of the month, their effective date is the first of the second month following their date of approval.

Medical Underwriting means that you must answer all questions on a medical questionnaire. In some cases, an interview may also be necessary.

Delayed Effective Date: If you are absent from work because you are injured, sick, temporarily laid off or on a leave of absence, your coverage will not begin on your otherwise expected effective date.

Medical Underwriting for Employees and Family: (Completion of the Benefit Election Form is required for enrollment) As an **Employee** you are eligible for benefit amounts on a Guarantee Issue basis of up to and including \$6,000 and a Facility Benefit Duration of 3 or 6 years. This does not require completion of the Long Term Care Insurance Application (medical questionnaire) if you apply during your initial eligibility period.
